Continence Clinic - Peter James Centre / Yarra Ranges Health

Clinical Nurse Consultant - casual

An exciting opportunity exists for an enthusiastic and motivated Clinical Nurse Consultant to join the Continence Service at Peter James Centre and/or Yarra Ranges Health, **currently seeking cover for long service leave from 21st June to 24th September 2021 on a 0.5EFT capacity.**

Applicants with previous experience within a Continence Service will be highly regarded, although this is desirable rather than essential for the role.

The clinicians will have knowledge, expertise and skills in the assessment, diagnosis, treatment and management of persons with continence impairments; provision of evidence based nursing care to clients in the community setting. They will be keen to participate in a multidisciplinary team committed to the delivery and development of person-centred quality care.

Key responsibilities of the roles include conducting comprehensive assessments; providing education, advice and support to clients and their family/carer; and facilitating linkages with other service providers.

Eastern Health provides excellent opportunities for continuing education, research, professional support and networking.

Eastern health is the largest public health provider in the eastern suburbs, providing a comprehensive range of high quality acute, sub-acute, palliative care, mental health, drug and alcohol, residential care and community health services to people and communities that are diverse in culture, age, socio-economic status, population and healthcare needs.

Eastern Health operates from many different locations; Angliss Hospital, Box Hill Hospital, Healesville and District Hospital, Maroondah Hospital, Peter James Centre, Turning Point Alcohol and Drug Centre, Wantirna Health, Yarra Ranges Health and Yarra Valley Community Health.

For full details please refer to the attached Position Description.

The successful applicant will be required to undergo a pre-employment Police Check.
